

SCENT-SATIONS!

Mia Bella Candle Fundraising Project

From August 15 to December 31, 2008, Granville County Habitat for Humanity will be having a fundraiser. Candles, cleansing bars, and body washes are some of the products that can be purchased online via

<http://cooper.scent-team.com/shop/scart.php>.

When checking out, use the code "Habitat" so Mia Bella knows that the purchase is related to the Habitat fundraiser.

Habitat is looking for a new revenue stream this Fall", said Mark Prokop,

Executive Director of Granville County Habitat for Humanity.

"We want to thank our local Mia Bella salesperson Mary Cooper for partnering with us during this fundraiser. We think the Mia Bella products are great." As Mary puts it, "The general public will love the aromas of Mia Bella products".
